

CONSTRUCTION NOTIFICATION

Washington Gas Project:
Prince George's County and District of Columbia Reliability & Reinforcement Project
- As of February 19, 2021 -

Dear Neighbor,

At Washington Gas, we work each and every day to safely and reliably meet the energy needs of our customers. Today, clean-burning natural gas is the fuel of choice for more than nine out of ten new homebuyers in the Washington, D.C., metropolitan area, and Washington Gas serves more than 1.1 million customers through the region. As our region continues to grow, expansion and rehabilitation of our existing infrastructure is critical to maintaining our natural gas distribution system.

Construction Notice Area

To complete the project, construction will occur within the electric utility right-of-way beginning at Route 301 (Crain Highway) to north of Flying Change Court in Upper Marlboro, Maryland starting in February and lasting through December of this year. Work hours will be Monday through Saturday, 7:00 a.m. to 7:00 p.m. Construction schedules may be affected by weather and other unforeseen circumstances.

What Can I Expect During Construction?

If you live near the construction area, you may hear construction noise during work hours, and you can expect to see Washington Gas and contractor vehicles and equipment. For your safety, do not enter construction areas or approach vehicles or equipment.

Washington Gas makes every reasonable effort to minimize disturbance in your community. If you have questions or need additional information about this project, please visit www.pgdcrrp.com or contact the project team at pgdcrrp@washgas.com or 703-750-5222, Monday through Friday, during normal business hours. **Project reference number: SPID12-P2**

Thank you for your patience as our construction crews complete this important work in your community.

Theresa Avila Curtis
Project Manager, Corporate Engineering
Washington Gas
