

NIGHT WORK NOTIFICATION

Washington Gas Project: Prince George's County and District of Columbia Reliability & Reinforcement Project NIGHT WORK NOTICE for UPPER MARLBORO, MD 20772

Project Reference Number: SPID12-P2-HDD3-NWN
- As of November 18, 2021 -

Dear Neighbor,

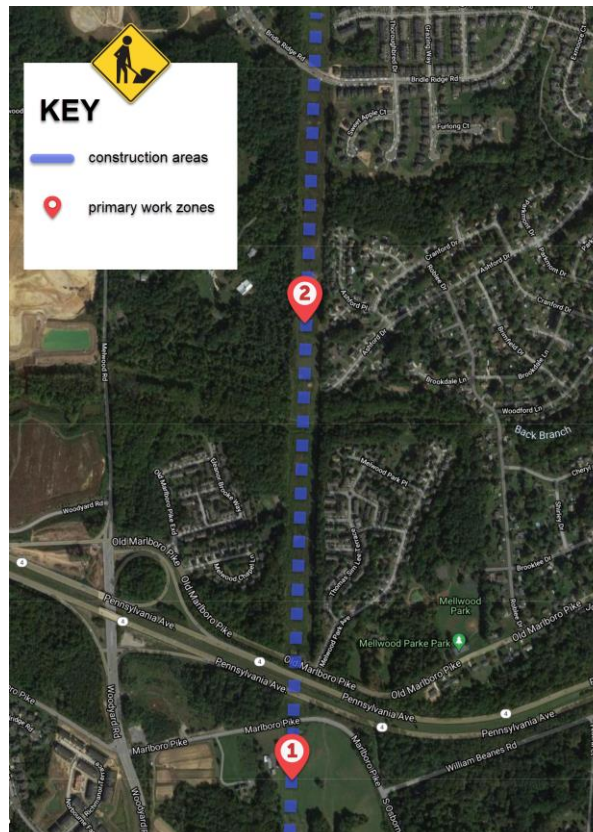

At Washington Gas, we work each and every day to safely and reliably meet the energy needs of our customers. Today, natural gas is the fuel of choice for more than nine out of ten new homebuyers in the Washington, D.C., metropolitan area, and Washington Gas serves more than 1.2 million customers throughout the region. As our region continues to grow, expansion and rehabilitation of our existing infrastructure is critical to maintaining our natural gas distribution system.

Night Work Notice

As part of the Prince George's County and District of Columbia Reliability and Reinforcement Project (PGDCRRP) Phase 2 construction occurring in your area, construction activities in the electric utility corridor may occur during off-peak daytime hours and overnight during pipe pullback operations currently expected to occur on or near the week of December 6, 2021 and is estimated to take 2-3 days to complete. Continuous operations for pipe pullback are necessary to prevent delays and complications that typically arise when this operation is not performed continuously. Continuous operations are anticipated near each of the primary work zones shown on the following map:

Washington Gas PGDCRRP Project

Please visit the following project website for more information: <http://pgdcrrp.com>

Construction schedules may be affected by weather and other unforeseen circumstances and are dependent on the date of temporary noise waiver permitted or authorized by the Prince George's County Department of Permitting, Inspections and Enforcement.

What Can I Expect During Night Work?

You can expect to see Washington Gas and contractor vehicles and equipment, the work area well illuminated, and you may feel and hear construction activity. As a reminder, for your safety and the safety of construction personnel, do not cross construction barriers, enter construction areas, or approach vehicles or equipment.

We strive to make every reasonable effort to minimize disturbance in your community. If you have questions or need additional information about this project, please visit pgcdcrp.com or contact:

THE PROJECT TEAM

pgcdcrp@washgas.com or 703-750-5222

Project reference number: SPID12-P2-HDD3-NWN

Thank you for your patience as our construction crews complete this important work near your community.
